

Trainer profile – Julie Brearey

Julie began her career in the insurance industry where she gained seventeen years of valuable experience in customer service, managing staff, projects and organisational change.

Since 2002, Julie has utilised this experience in her work as an independent training consultant and she now provides successful training, coaching and consultancy solutions to a wide range of businesses across the UK, Europe, the US and the Far East.

Combining her own skills and experience with her natural enthusiasm and highly professional approach, Julie is able to identify, design and deliver the most appropriate training solutions for her clients.

Since embarking on a freelance training career, Julie has worked with a variety of **clients** (eg, Nestle, NHS, Skipton Building Society, Halifax Bank of Scotland, O2, Newcastle University, Leeds City College, the Probation Service, the Consumer Credit Counselling Service, Yorkshire Water, Driver Hire, Leeds Commercial Vehicle Hire, Balfour Beatty, Britannia Building Society, Harrogate College, Kent PHK, the Pre-School Learning Alliance, EDF, Treetops Nurseries and the Walsall Housing Group, Telford College, Stoke Sixth Form College, Carmel College, Jacksons Bakery Ltd, the Cairn Hotel, etc, etc) across a range of **sectors** including transport, finance, petrochemicals, pharmaceuticals and education.

Julie has also worked as a Standards Verifier for Pearson and as an internal verifier and assessor for the Customer Service and teaching programmes at Leeds City College.

Her training **qualifications** include:

- Diploma in Teaching in the Lifelong Learning Sector
- Certificate in Further Education Teaching
- External Quality Assurance Award for Standards Verifiers
- V1 Internal Verifier and D32/D33 Assessor Awards

Since 2008, Julie has provided training for a major client in the pharmaceutical industry, attending events in Europe, the US and the Far East to prepare speakers for formal presentations. She is also a director of a recruitment business so has extensive experience in managing a business and providing excellent customer service to her clients.

Julie is based in Leeds and works across the north of England.
